### DESCRIPTION

**CHRYSO® Barracuda** is a non-acid, non-corrosive synthetic concrete stripper and dissolves nearly 15% more concrete than hydrochloric acid.

**CHRYSO® Barracuda** can be used any where you find concrete, cement, gunite or mortar. It is also safe, can be left over night to loosen the heaviest of concrete build up.

**CHRYSO® Barracuda** destroys the binder of the materials which are no longer coated and then can be removed by brushing off the surface.

### BENEFITS

- **CHRYSO® Barracuda** is also used to clean concrete moulds whether steel or plastic.
- **CHRYSO® Barracuda** is used to clean severe build up of concrete and cement prior to the surface treatment i.e. concrete sealers: CHRYSO®Deco MAT for a mat finish or CHRYSO®Deco Perle for a glossy finish.
- **CHRYSO® Barracuda** can also be to eliminate surface laitance on concrete and bricks, cement stains, and assist to clean efflorescence on bricks.

### PACKAGING

- 20 L bucket
- 210 L drum
- IBC 1000L

### INDICATIVE INFORMATION

Product Nature	liquid
Color	Amber-Brown
Lifetime	12 months
Water solubility	Soluble
Specific gravity	1,180 ± 0,020

### METHOD OF USE

**CHRYSO® Barracuda** is used to clean severe build up of concrete in Ready mix Concrete Vehicles, Mixer drums as well as Concrete Pumps. **CHRYSO® Barracuda** can also be used to clean concrete mixing plant equipment i.e. mixers, cement silos, cement scales etc.

Depending on the severity the CHRYSO® Barracuda can be diluted accordingly:

#### Dilution Specifications:

- Severe build up: Dilute 1:1 (1 part concrete stripper / 1 part water)
- Heavy to extra heavy build up: Dilute 2:1 (1 part concrete stripper / 2 parts water)
- Light to moderate, everyday build up: Dilute 4:1 (1 part concrete stripper / 4 parts water)
- Moderate to heavy build up: Dilute 6:1 (1 part concrete stripper / 6 parts water)

Application of **CHRYSO® Barracuda** can be either sprayed or brushed onto the surface of the concrete build up.

Apply to build up, agitate, brush, rinse and repeat as needed.

### PRECAUTIONS

Removes concrete, non-corrosive, 100% acid free, non-fuming, non-D.O.T. regulated, 100% biodegradable, safe on glass and chrome, One – Step process, OSHA and EPA compliant, Remove Mineral Stains, Safe on Skin.

### SAFETY

Prior to any use, please read carefully the Material Safety Data Sheets.
